Dear parents/carers,

Next academic year, a new version of iPal will be used for parents/carers to book places in 'Breakfast Club' and 'After School Club'.

The link to this new version is below. The new version may allow you to use your existing details to log in but please **do not** use these details. Please **register** as a new user.

The version is now live so you can book now for places in September!

The link below has a video tutorial explaining how to make a booking. I will try to send this link electronically too so it is easier to access.
